Local Councillors Set to Visit MP in Ottawa

For immediate release.

OTTAWA, February 24 – Local Oshawa Councillor Tito-Dante Marimpietri, Chair of the Strategic Initiative Committee, along with other councillors are set to visit Oshawa MP Colin Carrie in Ottawa on Tuesday evening, the 24th of February.

This visit is a culmination of ongoing communications between the MP's office and the Strategic Initiative Committee's Chair focusing on achieving a resolution with reference to the Oshawa Harbour as well as other potential infrastructure projects the city of Oshawa may benefit from in relation to the recently passed Economic Action Plan.

"These meetings are the result of positive dialogue and the desire to deliver timely results for our city between councillor Marimpietri and my office," said Carrie. "It's encouraging to see things progressing and to have local councillors step up to the plate and say now is not the time for dithering, now is the time for action."

MP Colin Carrie was pleased to arrange various face to face meetings between the local delegates and various federal departments, including Transport Canada, Human Resource and Skills Development Canada, and Industry Canada.

"I am excited at the notion of sitting down with Dr. Carrie and representatives from the different departments and working on a plan that will ensure Oshawa will benefit from the Economic Action Plan," said Marimpietri. "It is time that all levels of government put partisanship aside and work together to steer us through these tough economic times."

These meetings will conclude Wednesday evening at which time there will be an opportunity for media calls to the delegates and MP Carrie directly from Ottawa.
